Let me tell you a story:
A client-centredness workshop for students in an introduction to nutrition communications course.

Other items of interest:

**Sickboy Podcast - http://sickboypodcast.com/ (please note there is colourful language in most episodes)

*Starred articles are ones students were required to read, in the following order: MacLellan et al. (2011), Morley et al. (2016), Morley (2016), McIntosh (2016). Each reading was followed by a class discussion, and took place in the classes leading up to the workshop.

**Students were asked to listen to one podcast episode of their choosing as homework after the workshop, in preparation for discussion and reflection in the final class three weeks later.
